Give up the use of plastic

24. You are Divya, living at 18, Durga Marg, Nagpur. Write a letter to your friend advising him/her to celebrate Diwali without crackers.

**Ans.**

18, Durga Marg,  
Nagpur.

Oct. 4, 200...

My dear Madhuri,

I am quite well here and wish you the same. You know Diwali is quite at hand. I wish you a "Happy Diwali". At the same time I want to advise you that you must celebrate Diwali with pomp and show, but without crackers and donate the savings to the flood victims. I hope you will like my idea and advise other friends to do so.

Again wishing you a Happy Diwali.

Yours sincerely,

Divya

' How is the study of this region useful to us? Answer: The research of this Antarctic region **gives us insight into the geological past of the planet.** It gives an idea of how the world was before dividing into continents and nations. It shows how minor climate changes can change the shape of the region. **15 OR**

She responds to her father **according to her own perspective**. Jack always tells a new tale with some variations to the old one. She would enjoy such stories and show her interest by asking related questions.

15.

He believes that their life can be changed by **providing them access to education and other resources**. This would help them break out of the shackles of poverty. With the right amenities and resources, they can actually experience the world that they see in the pictures that decorate their classroom's walls.

14

**Yes, Umberto Eco, in all possibilities, likes being interviewed.** He readily answers every question asked by Mukund Padmanabhan in an energetic and lively manner. He does not seem apprehensive about sharing his secrets, experiences and opinions with the interviewer, and consequently, the world.

13.2

**Related C) How did M. Hamel display his love for the French language?? 13.1**

He displays his love for French language  
M. Hamel told them that French was the most beautiful language in the world. It was the clearest and the most logical language. He asked them to guard it among them and never forget it. He gave a reason also. When a people were enslaved, as long as they held fast to their language, they had the key to their prison.

However, **he did not get punished for this offence** as it was never revealed to anyone, except his wife, loyal but timid servants, and a General who was too self-obsessed with his own treatment that he would never let the doctor leave him. Q. **12.2**

**Jilani Jung Jung Bahadur, the king of Pratibandapuram, is known as the Tiger King. Ten days after his birth, a 12.1 renowned astrologer prophesied that his “death comes from the Tiger.” After he became the king of Pratibandapuram and got to know of the prediction about his death, he went on a tiger killing spree.**

Answer: 1. The poet wants us to keep quiet because this moment of quietness will give us the time to meditate and introspect upon the kind of turmoil we have created on earth through our ill-actions. Too much activity and rush has only brought misfortunes to mankind, so it is better to be quiet and still. 7 दिस० 2019

Answer: A thing of beauty **gives us eternal and everlasting happiness** and leaves an indelible impression on our mind that we are able to relive the **11.2** wonderful feeling we get from it each time we think about it. It never fades into nothingness and its loveliness increases with each passing moment. 7 दिस० 2019

The sprinting of the trees  
**symbolises the rapidly** 11.1  
**passing years of human's**  
**life from childhood to old age.** This  
image, which shows activity and  
strength, is contrasted with that of her  
old and weak mother who seems  
dormant, sleeping in the car.

Saheb is looking for **gold** or in other words something valuable in the **10.5** garbage dumps. He is at Seemapuri in the neighbourhood of the author. Saheb has come from Bangladesh. He came with his mother in 1971.

**Question: When did douglas join the ymca pool and why?**

10.4

When douglas thought of getting rid of their habit of being afraid of water, they thought of joining a swimming pool, they thought of joining the YMCA swimming pool in the swimming pool, because they liked this swimming pool the best, that swimming pool I used to have this specialty. This swimming pool was only two to three feet deep in the beginning, and as it progressed, its depth increased, and by going to the last, its depth would reach up to 9 feet. In this the depth of the bridge gradually increased, so he thought of joining this swimming pool.

**He was a man with a long beard, dirty, ragged, and with a bunch of rattraps dangling on his chest. His clothes were in rags, his cheeks were sunken, and hunger gleamed in his eyes.** 10.3

To the servants, he must have looked like just another poor farmer in this country. Moreover, he was accompanied by Rajkumar Shukla whom they knew to be a poor indigo sharecropper. Thus, when the servants saw them both together, they mistook Gandhi to be another peasant.

10.2

They serve as a means of communication between the celebrities and the audience. In this case, **the interviewer** is endowed with a very special power and he becomes our chief source of information about personalities. Q.

**1. Introduction**—Games are very necessary for us. There is a saying that a sound mind lives in a sound body. If we are weak and sick our mind can not work properly. Games not only keep us healthy, but also make our mind sharp and quick. They also develop good qualities like brotherhood, co-operation and team work.

1 गोलाना का । 2 शौक । 2 मयले । 4 गोलाना । 5 मयले । 6 मयले मयले ।

**2. My Favourite Game**—There are several games and a person plays one of the games in which he takes much interest. My favourite game is cricket. I like this game very much. In my childhood I played with a toy bat and toy ball. When I grew up I used to play with the boys of my neighbourhood.<sup>1</sup>

**3. The Matches**—Cricket is played at several levels. Many International Matches are arranged. People watch these games on T.V. telecasted live. They take great interest in these matches. National feelings are attached with it. One day international matches have become very popular.

**4. A Match Played in Our School**—A match of fixed overs was arranged in our school. One team was Principal's Eleven and the other Teachers' Eleven. The match was arranged on a Sunday. Many guests were invited. Our parents were also invited. I was in the team of Teachers' Eleven. The match was fixed for 30 overs. Principal Eleven won the toss and they preferred<sup>2</sup> to bat. The openers of the Principal Eleven were Shafiqul Hammad and Gopal Nikam. Shafiqul Hammad scored 12 runs and was out caught. Sukhvinder was our bowler. Gopal Nikam played for a long time. He is a very good player. He scored 25 runs with 2 fours and 1 sixer. Two players were run out. All the players were out in 29 overs with 100 runs. Then our team started batting. Our openers were Mukesh Chakrawane and Nilesh Rawal. They played very well and made 50 runs. I could not make any runs. I was caught trying to hit a boundary. We made 102 runs in 29 overs and 10 balls. Thus we won the match. The game of the opposite team was also very good.

**5. Conclusion**—Cricket is a wonderful game. It is more enjoyable when it is played with perfect honesty and fairness.
